ABOUT C.A.C.

A Tradition of Service, Quality and Value

Since first established in New Jersey, U.S.A. in the 1990's, C.A.C. has dedicated to expertly fulfilling industry needs in foodservice and hospitality and strategically anticipating market trends. With steadily expanded and constantly evolving line of foodservice supplies and equipment, we are committed to providing quality products and reliable services at the best value on the market.

As an award-winning supplier of five prominent North American buying groups and a member of the *North American Association of Food Equipment Manufacturers*, C.A.C. collaborates with hundreds of foodservice dealers and chain restaurants nationwide, making our products seen almost everywhere.

Equipped with intensive experience in the industry and in-depth knowledge of customer's needs, C.A.C. has developed a comprehensive brand family over the years — C.A.C. China®, C.A.C. Stainless®, C.A.C. Aluminum®, C.A.C. Melamine®, C.A.C. Poly®, Elegant®, BlendKing®, Klinge®, Schärfe®, Schnell®, EquilThermo®, ComfyGrip®, BagTec® and Chef's Pride®.

C.A.C. provides durable dinnerware at all levels, including porcelain, fine bone china and stoneware, ideal for tabletop, cooking, baking, serving, food preparation and oven-to-table. Customers can choose from a variety of modern shapes from square, triangle to asymmetry that will brighten up all tables of every dining occasion. Additionally, C.A.C. offers Elegant®, the most economical, fully-glazed dinnerware available on the market. Fully vitrified, the Elegant collection has beautifully-glazed foot and is designed and produced to meet the highest standard of elegance, practicability and durability. Our china products are oven-, microwave- and dishwasher-safe except as otherwise noted and are break-, chip- and scratch-resistant in normal service use.

C.A.C. is proud to introduce smallwares and countertop equipment as part of our continuous efforts in offering a full-scale foodservice solution to fulfill the needs of any commercial settings such as restaurants, caterers, hotels/resorts, cruises, convention centers, schools, hospitals, nursing homes and mobile kitchens. A restaurant manager will find everything from front-of-the-house to back-of-the-house, e.g., dinnerware, tabletop, beverage/bar solution and janitorial/sanitation solution. A chef will find everything for a professional kitchen to create tasty cuisines such as cookware, GN-standard steam table pans and food pans, bakeware, pizza supplies, food preparation tools and gadgets, and countertop appliances. With a solid base in dinnerware, C.A.C. offers an extensive selection of foodservice supplies that can match with any cuisines and dining venues, turning every occasion into a memorable experience.

C.A.C. stocks 5,500+ products at any time in our multiple warehousing facilities in New Jersey. We ship orders on the same day once confirmed. Our dedicated and experienced sales/customer service team is available during regular business hours for any questions about products and orders. With warranty on selected products, we stand behind our products and services with confidence.

We are deeply grateful for all our customers and partners. Thank you for your continued patronage during our 20+ years of journey in becoming a one-stop foodservice manufacturing supplier. C.A.C. will strive to carry on our commitment to provide you with reliable services, quality products, and the best value in the decades to come.

Compact Sound Enclosure

MXBD-1500

BlendKing Commercial Blender

BlendKing® Blender Series is designed to meet commercial standard and can crush and blend large volume of ice cubes, frozen fruits, or any mixtures with high efficiency, making this series an essential helper for bars and commercial kitchens.

3.75HP High Power Blender

- Compact sound enclosure reduces decibel exposure during use.
- Removable center lid plug allows easy and continuous ingredient add-ins with included tamper.
- 51oz durable and temperature-resistant BPA-free food grade jug handles large volume of ingredients.
- Industrial grade corrosion-resistant stainless steel blade evenly powers through ice and tough ingredients in seconds.
- 2-in-1 agitator assembly works well with both wet and dry ingredients.
- User-friendly control panel cuts down on operation time.
- Adjustable speed up to 30,000 RPM for improved efficiency.
- ETL listed; meets and complies with electrical safety standards in the U.S.A. (UL-763) and Canada (CAN/CSA-C22.2)
- NSF listed
- One-year warranty

Electric Water Pan

- Durable and rust-resistant polypropylene construction for long-lasting performance
- Flame-free hot holding solution helps to keep food warm during service.
- Heats and keeps water up to 185°F/85°C; meets and exceeds HACCP food-safe reheating and hot-holding temperature requirements.
- Thermostat knob on the control panel helps to adjust temperature while in use.
- Maximized versatility allows for operating by itself or pairing with other full size chafer frames.
- Compatible with standard GN pan (sold separately).
- ETL listed; meets and complies with electrical safety standards in the U.S.A. (UL-197) and Canada (CAN/CSA-C22.2)
- One-year warranty

Hot Dog Roller Grill

Constructed with heavy-duty stainless steel base and rollers, C.A.C. Hot Dog Roller Grill Series offers a safe, reliable, and convenient solution to roll and grill hot dogs, sausages, taquitos, egg rolls and more with high efficiency. Simple and professional appearance goes well with any commercial settings such as convenient stores, food trucks, meetings, parties, and sport events.

Hot Dog Roller Grill

- Fresh and juicy hot dog grab-and-go
- Dual-heating thermostats control the front and rear rollers independently, allowing for cooking on one side and keeping warm on the other.
- Quality motor continuously rotates the rollers for even heat distribution.
- Sealed roller ends protect motor and other internal parts from grease for increased safety and easy maintenance.
- Removable drip tray catches grease and crumbs during use for easy cleaning.
- Sneeze guard included in the set for protection against splashes
- Non-skid rubber feet for stable countertop operation
- ETL listed; meets and complies with electrical safety standards in the U.S.A. (UL-197) and Canada (CAN/CSA-C22.2)
- ETL sanitation listed; complies with NSF/ANSI-4
- One-year warranty

Induction Cooker

C.A.C. Commercial Induction Cooker Series features SCHOTT CERAN® glass surface for optimal durability, temperature resistance and energy efficiency. Designed with German glass-ceramic technology, the glass surface is able to withstand sudden temperature shocks up to 1,380°F/750°C and intensive use of a busy commercial kitchen. Effectively concentrating the heat in a confined area of surface while keeping the rest of surface relatively cool, C.A.C. induction cooker helps achieve cooking safety and energy saving.

High-Power Commercial Induction Cooker

- The appliance beeps as a safety alert if the glass surface does not detect a suitable induction-ready cookware.
- ETL listed; meets and complies with electrical safety standards in the U.S.A. (UL-197)

Electric Countertop Warmer

C.A.C. Electric Countertop Warmer Series offers a simple yet versatile solution for holding food, soup, stews, sauces or gravies at food-safe and ready-to-serve temperatures. Packing loads of great features in compact sizes, C.A.C. Electric Countertop Warmer Series is an excellent addition for restaurants, catering services, buffet or other venues.

Food Warmer

- Commercial-grade stainless steel body and water tank for exceptional durability and corrosion-resistance
- High power for fast heating
- Adjustable knob helps to hold ready-to-serve temperatures and avoid burning.
- Full-size well opening allows for flexible and customized configurations of standard GN steam table pans up to 6" deep.
- ETL listed; meets and complies with electrical safety standards in the U.S.A. (UL-197) and Canada (CAN/CSA-C22.2)
- ETL sanitation listed; complies with NSF/ANSI-4
- One-year warranty
